ON THE COVERS

This week Aviation Week publishes two print editions. On the cover far left, Boeing's T-38 chase plane creates the optical phenomenon of a "glory" on a cloud beneath a shadow cast by the company's 787 ecoDemonstrator during a NASA-related test flight. Boeing photo by John D. Parker. A special report on new technologies for commercial aircraft begins on page 44. Also in both editions are reports on close air support (page 54), Sikorsky (page 58) and our Laureate Awards (page 64). On the cover of our Defense Technology International edition, an A-10 drops ordnance during training at the Weapons School at Nellis AFB, Nevada. U.S. Air Force photo by Senior Airman Brett Clashman.
