ON THE COVER

Aviation Week's Evaluation Pilot Tim Wuerfel and Managing Editor-Commercial Jens Flottau flew the Embraer 190-E2 just before its Feb. 28 certification (see page 6). Wuerfel's pilot report begins on page 48. Embraer photo. The first production aircraft will be delivered to launch operator Wideroe in early April. Aviation Week publishes a digital edition every week. Read it at AviationWeek.com/awst
